Not sure what to write? Here’s an idea...

This April, I am walking as a part of TotalLink to Community's TotalLink Trot event. TotalLink to Community is a non-profit focused on ensuring people with disabilities can thrive by working, socializing, learning, and contributing to their communities – and making their workplaces and communities better for it.

The TotalLink Trot is an inclusive event for the entire community, which features a 2-mile walk on Sunday, April 27 at 9 am at Techny Prairie Park and Fields in Northbrook.

Will you help support TotalLink to Community by making a gift in honor of my participation in the TotalLink Trot? All proceeds will go toward supporting TotalLink to Community's employment and social program, providing inclusion while helping young adults with disabilities thrive in our community.
