

TotalLink Artist Appointed to Arts Commission

The Village of Northbrook's Arts Commission recently appointed Sarah, a TotalLink participant, as their newest commission member. "I'm excited to help out my community and help Northbrook be a wonderful and interesting place for everyone," Sarah shared.

Sarah will contribute to the Arts Commission's mission by bringing a fresh perspective, unique insights, and a commitment to fostering creativity and cultural development.

This opportunity for Sarah came to be thanks to grant funding provided by the Village of Northbrook. Their support provides community coaching for TotalLink participants, who reside in Northbrook, to expand their leadership opportunities by joining various commissions or other

decision-making bodies. It's inclusion stories like this that make TotalLink proud to call Northbrook home.
